With room for **up to 8 guests**, it's ideal for **families, couples, or groups of friends** seeking sun, sea, and serenity.

A Space Designed to Feel Like Home

Two more beds can be added upon request, and a **baby cot** is available at **no extra charge**. **Two modern bathrooms** ensure privacy and comfort, with **walk-in showers** and fresh toiletries.

The **living room** is **bright and open**, flowing naturally into a **fully equipped kitchen**, a true cook's delight, with a **large oven, stove, fridge and freezer, dishwasher**, and even a **Nespresso** coffee machine for your perfect morning ritual.

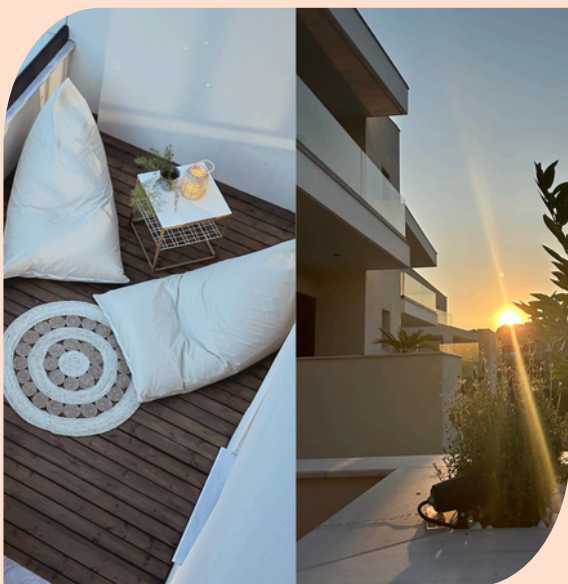

Views That Stay With You

One of Gyalia House No.3's most special features is its connection with nature. Look out from the kitchen or living room and let your eyes follow the **sea stretching toward the horizon**. One bedroom shares that same view, while the other two open to a soft, endless expanse of **olive tree orchards**.

Each room opens onto a **spacious terrace**, furnished with **comfortable outdoor seating** and **shaded with greenery**, your own private oasis for morning coffee or golden sunsets. The **boho sunny wooden deck** invites you to slow down: swing gently in the breeze, stretch out on the sun loungers, and breathe in the quiet.
